***The Women in the Word workshop was wonderful! A lovely hotel, comfortable rooms, good food, a pleasant place to meet, a refreshing pool and comfortable area to sit outside and visit, no meals to cook or dishes to wash, and just for a few days, no family needs. These, along with great teaching, heartfelt fellowship and lots of good-natured humor made this workshop a revitalizing retreat. Below are some comments from the ladies.***

*“Thank you for the faithfulness on teaching us a clear gospel. Please consider a women’s conference on Campobello Island.” - Nelly*

*“Learning that I can’t do anything to lose my salvation is the second best gift ever. Thank you!” - Mindy*

*“Learned more about grace being a free gift from God for eternal life, to me who has done nothing to deserve such a gift.” - Tammy*

*“This is my first DM2 conference. It was a lot of information presented in a way that was easy to understand. The teachers were amazing, not only in their presentation of God’s Word, but in their faith and obvious belief in the material. I look forward to the next conference.” - Wendy*

*“I loved the eleven pages of eternal security. I will never, never, never lose my salvation.” - Kristi*

*“I absolutely loved this study through Romans, clearly explaining chapters 1-5 and emphasizing a clear gospel.” - Victoria*

*“The conference was so inspiring to go out and help people understand the gospel, to learn more, and study the Word every day. If you are not willing to learn, nobody can help you. If you are willing to learn, nobody can stop you.” - Bernadette*

*“It was such a blessing to come to the Women in the Word Romans conference. To get to learn God’s Word and fellowship with like-minded believers was so encouraging. Learning about eternal security, the simple and life-changing gospel, and my identity in Christ was amazing. I look forward to attending next year.” - Debbie*

*“Going through Romans 1-5 refreshed and renewed my soul! Thank you again for equipping us to be disciple-makers.” - Julie*

*“The DM2 teachers not only clarified eternal security and a clear gospel, but encouraged all us women to ‘go forth and make disciples of many nations,’ confidently depending, NOT on ourselves, but on Christ’s power through us.” - Rachael*

*“This weekend has been rich in fellowship around the Word and with wonderful women. The many teachers, from the youth to the wise grey-haired, was super encouraging. I hope this is the first of many women’s conferences.” - Amy*
