Hello,

My name is George S. Paye. My wife is Mabel. God has blessed Mabel and me with seven children.

I pastor a church in Careysburg, Montserrado County, Republic of Liberia. I have been pastoring for a period of twenty-one years. I also coordinate DM2 activities in Liberia.

Ever since I came in contact with the DM2 team in 2014, their sound teaching has changed my life. Upon receiving the truth, I immediately established a discipleship training with twenty-seven young people who are presently serving with me in outreach activities. We have traveled to several parts of Liberia.

Our national DM2 workshop headed by Pastor John Clark and aided by Brother Rob Armstrong has been a great blessing to the body of Christ in Liberia. The DM2 meetings have initiated a gospel movement in this country. People have been transformed from religious activities to the true life of Christ, praise the Lord.

Our outreach meetings have been challenging. We have been attacked on several occasions by pastors and church leaders refusing to accept that Jesus is all we need. Many people around the world know Liberia to be a Christian nation, but in reality it is not so. Since our constitution declared Liberia a secular state, there are too many different things that go on every day. Liberia needs the gospel very fast.

We have a vision to reach the 15 political sub-divisions of Liberia with the gospel. In 2019 the DM2 Liberia team embarked on an agricultural project growing rice and vegetables to enable the outreach team to raise finances. Since its founding, the project has contributed to our outreach activities, moreover, the project is presently addressing the educational needs of the team members and is also helping community dwellers with vegetables, including the Hope in Christ Orphanage Home.

## Registration is now open for the DM2 Winter Youth Conference (December 28- January 1)

The DM2 Winter Conference has been a staple of DM2 youth for many years. We are so looking forward to this year's conference and bringing in 2022 as is our New Year's tradition. The conference is open for all youth as well as those who are young at heart. We will be at Camp Pearl in Reeves, Louisiana. We cannot wait to study the Word together as youth teach youth! Last year we studied through the book of 1 Timothy. This year we will study through the book of Galatians.

For registration details and to receive a welcome packet, contact [jayme@3dtc.org](mailto:jayme@3dtc.org) or [rachelmusser13@gmail.com](mailto:rachelmusser13@gmail.com). The cost is \$110 per youth. This covers conference materials, meals and lodging from December 27 evening to the afternoon of January 1.

### Prayer:

- *Continue to pray for the 3DTC program. - Pray for stamina for teachers and students and for continued wisdom and unity. God is doing a great work through this venture.*
- *Also, pray for DM2 field leaders and teachers around the world as they continue to reach out.*
