We praise the Lord for every opportunity He gives us to share His gospel of grace. Last year when we visited Beaumont Bible Church we heard Rachel Musser and Amber Walker

share about their ministry to women and children with DM2. We talked and began praying about a women's conference in Bolivia. We needed God to show us how, where, and so many more things.

On January 2nd of 2023 John and I, along with our son Joshua, arrived in Bolivia to prepare for resuming CC3D in February. God also opened the door for us to begin planning a women's conference at a church that had hosted DM2 conferences in the past. Despite many obstacles, Rachel, Amber, and our daughter Rachel, arrived in Bolivia on May 19, just on time for the conference to begin on May 20!

Five students from CC3D along with Amber and the two Rachels taught the DM2 Women of the Word curriculum. We cried, we laughed, and we ate good snacks. But the most incredible part was that almost 80 ladies attended and grew in the knowledge of our Lord Jesus Christ. We went through many women from the Bible, always pointing to God and how these women responded to God in different situations.

All the ladies shared their desire for another conference next year. They said the material was very informative and deep. Three ladies shared their interest in studying with CC3D next year.

Our prayer now is that the ladies who attended will keep growing in the true knowledge and the understanding of God's word.

Here are testimonies from the ladies who attended:

- I really loved the story of Abigail. I learned a lot from each of the women of the Bible and I would love to repeat this course next year and learn what pleases God.
- It was a very edifying study and greatly strengthened my life. I was especially encouraged by the lives of Anna and Elizabeth and understanding that nothing is impossible with God. I hope we do this conference again.
- I am thankful for this time. Studying the Bible in this exhaustive (versus simple) way was a big blessing and I would love to go through it again so I could continue growing in my Christian life.

But when the kindness of God our Savior and His love for mankind appeared, He saved us, not on the basis of deeds which we did in righteousness, but in accordance with His mercy, by the washing of regeneration and renewing by the Holy Spirit, whom He richly poured out upon us through Jesus Christ our Savior, so that being justified by His grace we would be made heirs according to the hope of eternal life. Titus 3:4-7

Pray for the 3DTC graduates and interns as they will be teaching numerous workshops from June to mid-July.

- Pray for safety as they **travel** through Texas and to Kansas, Minnesota, Iowa, Virginia, Georgia, Louisiana, and Tennessee (For details go to 3dtc.org).
- Pray for the various teams to stay **encouraged** in the Lord.
- Pray for many, many youth to be **impacted** for the Lord.
- Lastly, pray for **expansions** and repairs needed at the 3DTC campus this summer in preparation for more students this coming year.

DM2 Daniel manuals printed at 3DTC and ready to be dispersed and taught this summer.
