So will My word be which goes forth from My mouth; it will not return to Me empty, without accomplishing what I desire, and without succeeding in the matter for which I sent it. Isaiah 55:11

Good News from South America

From Venezuela

It is amazing what God has done through one workshop in Colombia last November with Venezuelan believers. For whatever reason, God alone knows, these extremely poor believers in Christ went back to Venezuela with a burning desire to teach the Word of God to their people. Maybe their extreme poverty has left them wide open to the Gospel. Here are a couple of recent text messages to Bret.

From Olinda: Good evening, Bret. May God bless you. I don't have a phone right now. This is my son Jose's phone. It gives me great joy to hear about you and your family. I am always praying to God for you all. Here in the state of Amazonas we are well, thank the Lord. Here is a picture of my brother, Pastor Alirio, carrying out a study as best he can with what he has, just like my brother Rene did with a group of young people in the neighborhood of Las Flores. Me too, by the mercy of the Lord, am sharing the Word on Tuesdays and Thursdays here in my neighborhood in Puerto Ayacucho.

We are very thankful to God and to you my brother for blessing us with these Bible studies so valuable for our spiritual growth. May God multiply your efforts in a great way.

Pastor Alirio: Yesterday we finished the Romans 1-8 Bible lessons. The brothers and sisters in Guayabal send you many greetings and blessings. They are very grateful.

Bret: That is wonderful, brother Alirio. We are thankful to God for what you all have been able to do. It is a distant dream come true. God has done what we wanted to do [20] years ago [when we were with you], as far as reaching out to our brothers in Guayabal. Thank you for your faithfulness in this great accomplishment. May God use you many times over to reach the masses.

Alirio: Amen, my beloved brother. If possible, I will send you the pictures of the brothers and sisters. If it is the will of our Lord Jesus Christ, we will begin [another study] here in Las Flores with about 25 attendees.

From Bolivia

After 10 years in Bolivia, we can say the same thing is true there. Having focused on the poorest of the poor, these believers are now being used to enrich the lives of thousands. Through the DM2 training, God has raised up powerful, confident teachers who have caught the vision to teach others what they learned. They are dividing and conquering.

Although internet in Bolivia is very expensive, churches and individuals are sacrificing in order to be connected to the DM2 teachers during these days of nationwide lockdown. The courses currently being taught by these Bolivian disciple makers are Galatians, Daniel 1-12, John, Romans, Revelation and the "Making Disciple Makers" curriculum. Their ever-broadening audience includes pastors and teachers from Argentina, Peru, Central America, and Mexico.

Testimonies from Sierra Leone, Africa

I am Howard from Sierra Leone and a student of the DM2 training program that has helped transform the lives of so many pastors and ministries, myself included. Over the years, the DM2 trainings have made a positive impact in my life, my family and my area of ministry. Though the majority of pastors in this country do not go through a proper seminary training, yet DM2 has made it possible for pastors to be fully trained and equipped for ministry.

Sylvester Malachi Rogers: I remember vividly back in 2014 when a good pastor friend of mine here in Sierra Leone invited me to a DM2 conference just days before it was to start. He was confident that if I attended my spiritual life would never be the same again! But thinking about the many false teachings found everywhere today, I questioned being invited to attend a conference so hastily. However, since he was a good Christian and we have many of the same views, I assured him I would attend, which I did. I showed up early in the morning and was encouraged to see a few fine brethren in the Lord whom I knew.

To my joy, by the end of the first day, certain questions I had were gradually answered. For example, the way salvation was downloaded for my understanding was just awesome! I learned that salvation cannot be lost no matter what, a view that I had a problem with before. I was so excited that I said to myself, "God indeed brought me to a place where I can begin to know the truth." I am grateful for God's goodness to me to correct erroneous scripture interpretations.

I asked God to help me never miss DM2 conferences again in Sierra Leone as long as I am alive, and God has been faithful. The truth that I have learned I was never taught throughout my seminary studies or my Christian life.

In conclusion I would like to respectfully recommend that DM2 be upgraded to a biblical research center to teach post graduate students. DM2 is what the Lord has used and continues to use for my spiritual upliftment and so I will continue to drink from its spiritual reservoir until He comes, or I go to meet Him in heaven someday.

Hallelujah!!!! Hallelujah!!!! Hallelujah!!!!
