The Lord opened the door this past April for Rob Armstrong, along with two Bolivian "DM2" pastors and me to go to Buenos Aires, Argentina to teach Romans 1-8 and the DM2 discipleship curriculum at "Iglesia Cristo Vive" church.

The pastor of the church was reluctant to have us come, thinking that not many people were going to attend. But when we started the conference, he was very surprised to see that people kept coming like never before.

We taught during weekdays from 5 pm till 10 pm and on Saturdays and Sundays from 1 pm till 10 pm. All were hungry for learning God's word, especially about the grace of God. From day one, we could see how the teaching was really impacting them. Several attendees were drawn out of darkness into the saving knowledge of the gospel of Jesus Christ. Others, after learning why we cannot lose our salvation, finally came to have assurance of their salvation.

Although the church is in a high crime and poverty-stricken neighborhood, the brothers and sisters received us with great appreciation, hospitality, and grace.

Here is what some of the conference attendees shared with us after it was finished:

Silvia - What impacted me the most was learning about salvation, sin, the law, and grace. I learned a lot about the book of Romans.

Natividad - Salvation is not attained by the sinner's prayer, but only by trusting that Christ died for my sins and was buried and then rose again according to the Scriptures.

Limbert - What struck me the most and I liked the most is how to be saved, not by works, but only by believing in Christ. I learned a lot about the gospel and how to find true salvation.

Dicna - No work will make us worthy; salvation is a gift of grace. And nothing can separate us from Christ. Understanding this truth brought relief to my heart, knowing that it is not my strength that maintains my salvation.

Alberto - I understood with clarity the reason why Christ was crucified for me. I understood the grace of God and the love that God has for me.

Silveria - I understood clearly that Christ died for me. I learned about the patience and love God has for us.

Beimar - What impacted me the most was the clarity of the teachers and the emphasis they made on God's word. I had been taught wrongly before about repentance, salvation, sin, and other practices that we have as Christians.

Gabriela - I liked everything, especially the section on how to evangelize and the truth of being saved. It was a great blessing for me and my children.

Nelson - I was struck by the explanation of Romans 6 concerning the Christian life. My dad also liked it a lot and many doubts were clarified.
