Meet Our New Missionaries

MoeCharles and Camille Crow are currently serving together at the 3D Training Center in Beaumont, Texas. Camille is a student, while MoeCharles teaches, serves as videographer for the online program, and continues his studies toward a master's degree at Chafer Theological Seminary.

Their story together began while serving at Camp Pearl Ministries, where they have returned for several summers to minister together. MoeCharles shared, "The opportunity to serve in teaching and media opened the door for me to become a DM2 missionary, helping extend the teaching ministry even further through digital resources." The Crows are deeply thankful for all God has provided and continue to seek His direction for the future. "Please pray for God's guidance, provision, and continued growth as we serve Him together and strive to walk faithfully in His calling."
