- You will meet and study with other like-minded women
- You will be edified by hearing the Scripture

Ladies, we only have 24 hours in a day and sometimes it's hard to decide how to invest our time, money, and energy. There is no better way to spend the resources God has given you than to experience a closer relationship with your Father and see His life transforming work in your life and in other women's lives. Don't miss out on this opportunity to be a part of the first annual WOMEN IN THE WORD conference.

The best days in my life! There is no exaggeration in the statement that DM2 conferences have been the best days in my life. Where else can you get sound, all day verse-by-verse teaching, for multiple days, by a variety of different teachers, all with different styles and personalities, yet with the same love for God and His Word? Not failing to mention, teachers that truly have the desire to "rightly divide the Word of Truth" and share that truth with others. DM2 conferences have radically changed my understanding of the Scriptures and given me a desire and the capability to share God's truth with others, because of its replicable method. If you have not had a chance to sit through the DM2 Romans curriculum, by all means drop everything and COME! You will not be sorry you did. You will be refreshed by the clear and simple teaching of God's eternal truths and be inspired to "Go into all nations" and make disciples of our Lord Jesus Christ.

Over the past five years, I have had the opportunity to participate in women's ministries using the DM2 verse-by-verse outlines in Bible Studies and Women's Workshops in the U.S. and in Ukraine. It has been wonderful to see God use these times we've spent studying the Word of God (2 Tim. 3:16-17) to grow us and teach us more about who He is, what He has done for us, and what He has in store for us. This ministry began when I was encouraged to take what I had learned at a DM2 Romans workshop and share it with people that the Lord had placed in my life (Matt. 28:18-20; 2 Tim. 2:2), encouraging them to do the same. After taking a step of faith and trusting God in the disciple-making process, it has been amazing to see how He has used us (Rom. 6:13, Rom. 12:1-2) to share Biblical truths with women in our lives. Are you looking to start an in depth Bible study? Would you be interested in planning a women's workshop for your local church? I would encourage you to come to the International Women's Workshop to grow, learn, and fellowship with women who have done just that.

The DM2 organization and the curriculums written by faithful men have both changed my life and made me eagerly want to be a faithful Disciple-Maker of Jesus Christ. The DM2 model is designed to clearly teach through books of the Bible verse-by-verse and then fully equip people with the tools necessary to go out and teach others. Not only is this a successful technique, but the greatest thing about the method is that it is God's intended method. Jesus taught His disciples the Word, equipped them to go out, and then sent them into the world to make more Disciple-Makers.

This is what we pray will be accomplished with the "Women in the Word" Conference. We want to empower ladies with the Word of God, teaching and equipping them with the tools necessary to go out and make Disciple-Makers. If the command is to go and teach all people (Matthew 28:19-20), and if God says that He is for us (Romans 8:31), then it is our job as faithful servants of Jesus Christ to simply put the event on the calendar, organize the venue, and trust the Almighty God to bring those women who will want to go out and teach other's also (2 Timothy 2:2).

DM2 curriculum allows the Word of God to simply speak. The format of DM2 conferences allows young, old, and everyone in between, in all seasons of life, to sit, soak, learn, and listen. DM2 curriculum and conferences carve out space and time for God's Word to perform its work (1 Thess. 2:13). I find these words by MercyMe to sum up the heartbeat of both:

*Word of God speak  
Would you pour down like rain  
Washing my eyes to see  
Your majesty  
To be still and know  
That you're in this place  
Please let me stay and rest  
In your holiness  
Word of God speak*
