

DM2 2011 – 2019

Since being launched in the spring of 2011, God has blessed DM2 with 18 Bible curriculums in English and in Spanish. Numerous curriculums have been, or are in the process of being, translated into languages such as Burmese, Chin, French, Yanomamo, Russian, Ukrainian, German, Swahili and Telegu. Workshops have been conducted in at least 20 countries. Young and old attendees of these workshops continue the chain of disciple making every day, including young adults across America who faithfully conduct Bible studies and workshops in their respective areas of influence.

All this is a testimony to the fact that God always provides for accomplishing whatever He asks us to do. Christ is building His church and hell's gates cannot keep the church from marching into Satan's territory to rescue souls.

We are grateful for every person who has participated in one way or another in this process. Thank you sincerely to all pastors who have freely shared their notes, all translators and editors who have freely given of their time, all believers who courageously go forth to share God's word, and all believers and local churches who generously and sacrificially give of their resources! Without the joint work, sacrifice, prayers and financial support of God's people around the world, none of this would be possible. To God be the glory!

Now He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness; you will be enriched in everything for all liberality, which through us is producing thanksgiving to God. For the ministry of this service is not only fully supplying the needs of the saints but is also overflowing through many thanksgivings to God. Thanks be to God for His indescribable gift!

Carlos Tellez at work

Argentina

by Carlos Tellez

In the month of October, God blessed me by allowing me to open a new mission field for making disciple-makers in Buenos Aires, Argentina. A group of seven teachers, four from Bolivia and three from the U.S., had the opportunity to teach through Romans 1-5 verse by verse to 62 participants at Eben-Ezer church. Among the participants were a couple of pastors and leaders from other churches. After 25 hours of teaching and answering questions, many

doubts and confusions about the gospel, justification and the believer's security of salvation were answered and clarified. Some even trusted in Christ alone for their salvation. As a result of this workshop, home groups are already being formed to reteach the material to others in their area. Your prayers for Argentina are appreciated!

More on Reverse

Here are some testimonies from the workshop:

- *How powerful is the grace that provides security of salvation as the result of simply believing in Jesus Christ. **Eva***
- *I wrongfully added requirements for salvation when one should believe only in the work of Christ. **Jorge***
- *It was a blessing to learn the method of evangelism to reach lost souls. Many doubts were cleared. May God give you the courage to continue teaching. **David***
- *It renewed my mind and filled me with joy to know more deeply the sublime grace and immeasurable love of God and His pure affection for us even though we were so unworthy, vile and undeserving. **Irvin***
- *I was afraid of explaining the gospel to unbelievers because I was not sure how to present it properly. Thanks to this study, these doubts were cleared. I now understand that I must focus on belief in the wonderful work of Christ. I am also prepared to talk about the gospel because I came to understand the grace of God through which I can begin to enjoy the abundant life that many times I did not enjoy. Because of problems I went through with my health, I doubted my salvation. I thought I had to do works. This tormented me, but His Word has taken away those doubts. The grace of God abounded and will abound for the rest of my days. **Marcela***
- *Understanding that through Christ we can live a life of holiness challenged me to fulfill the purpose God has in my life to preach His Word and one day be a Bible teacher. **Victor***
- *What blessed me most was that God allowed you to come to this place despite how dangerous it is to be here, but God wanted it. May God greatly bless the life of each you my brothers and strengthen your lives to continue stronger. I love you so much. **Desiderio***

PRAISE AND PRAYER :

Thank you to all who prayed for the trip to Colombia to serve Venezuelan leaders. In the January newsletter we will share with you all the miracles God worked in answer to your prayers.

We covet your prayers for upcoming workshops as well, for safety for all and for clear communication as well as understanding of God's truth.

Please keep **Mark and Caren Musser** in your prayers as they minister in the former Soviet Union. Mark stays very busy traveling to various countries, teaching God's word. Pray for his family in Armenia in his absence and for his safety as he travels. Pray also that God would raise up many disciple makers in this needy part of the world.

Thanks be to God for His indescribable gift.
