The fifth annual DM2 WITW conference proved to be a true blessing. As the body of Christ unites, the Lord gives us a glimpse of what the heavenly realm will be like, and the ladies' conference did just that!

Furthermore, the conference also gave us a beautiful display from the book of Titus on how the local church should function. We received a closer look at what in the world the Lord is doing in the world today. He is not nation building. He is also not building the kingdom. What we see from the scriptures is that in this current age the Lord is focused on building His church. Jesus told His disciples in Matthew 16:18, "I will build My church, and the gates of Hades shall not prevail against it." We see from Acts 2 that the Lord started His church on the day of Pentecost and has been building it ever since. Thus, the scriptures show that the Lord's current mission is to build His church, the body of Christ.

As believers in Jesus Christ, we are part of God's AMAZING mission of building His church in this time and in this place. We are His ambassadors, and as such, we know that the only things that are eternal are the Triune-God, His word (the Bible), and the souls of men and women. Therefore, as the body of Christ, may we be active ambassadors in what the Lord is doing and work heartily for His mission and not our own agendas. If God's mission is to build His church, then as a believer in Jesus Christ and an ambassador for Him, my mission is to build the church of Jesus Christ in the power of His Holy Spirit. We do this work all for the Lord's glory, honor, and praise, because He is so worthy!

I had the privilege of attending the Women in the Word conference when it first began. Since then, it's been a pleasure to both attend and help with the planning of this annual event that seeks to provide an opportunity for women to gather and study verse-by-verse through books of the Bible, fellowship with one another, and worship our great God and Savior. It has been a tremendous blessing to witness the intentionality and desire to honor the Lord displayed by each woman in the various aspects involved in preparing for this event.

This year we studied together through the book of Titus. We were encouraged by the great care, thoughtfulness, and protection God displayed in not only designing the church but also in communicating to us what it should look like and how it should operate.

We also were reminded of the importance of sharing a clear gospel that teaches the truths held in Scripture that salvation is 100% Christ's work and 0% our own. As Titus 3:4-7 says, "But when the kindness of God our Savior and His love for mankind appeared, He saved us, not on the basis of deeds which we have done in righteousness, but according to His mercy, by the washing of regeneration and renewing by the Holy Spirit, whom He poured out upon us richly through Jesus Christ our Savior, so that being justified by His grace we would be made heirs according to the hope of eternal life."

Another thing that has greatly encouraged me is witnessing the love shown by different ladies throughout the conferences as they connect with one another and point one another to the Lord. It's my prayer that this event continues to be a great time of refreshment in the word as well as a place of fellowship, unity, and encouragement for years to come. If you are a lady who is interested in this type of event - we would love to see you next year!

What did you enjoy about the conference?

- I learned so much about God and the Bible. It really helped strengthen my walk with God.
- The beautiful singing is like a glimpse of heaven.
- Learning more about the book of Titus based on a terrific curriculum and taught by so many well-prepared teachers was wonderful. I always enjoy being with ladies of all ages - quite encouraging, honestly!
- Seeing the example in Crete of how the local church should function was such an encouragement to live sensibly, righteously, and godly. Gaining insight into how the grace of God is central to the local church and to our spiritual walk, and seeing ladies teaching truth was very impactful for me personally. New friendships were formed, which I treasure. Thank you DM2 for the curriculum that makes going through the Bible so much easier.
