As we all face yet another year of uncertainty, there are some things about which we can be absolutely certain. According to God's word, we can be sure Christ *will build His church and that the gates of hell shall not prevail against it* (Mat. 16:18). Although hell's armies put up a barrier, they cannot impede the progress of the church. We are certain of this because the last chapter on this subject has already been written. In Revelation 5:9-10 we read that the church ...*sang a new song, saying, "Worthy are You to take the book and to break its seals; for You were slain, and purchased for God with Your blood men from every tribe and tongue and people and nation. "You have made them to be a kingdom and priests to our God; and they will reign upon the earth."*

We know that at the Rapture the church will be completed. In accordance with Jesus' words in Matthew 28:18-20, it will be made up of a great diversity of humanity: *"All authority has been given to Me in heaven and on earth. "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age."*

Christ is not building His nation, launching His business, or challenging social issues. He is building His church. Christ's church is the *pillar and support of the truth* (1 Tim 3:15) in this world. The court of human opinion is not the ultimate upholder of truth. This honor belongs to the church.

The church is Christ's body here on earth. Through the church, Christ walks through local communities with hands extended in love and deliverance. Disciple making is God's way of establishing strong local churches in every society in the world. This is why DM2 is committed to making disciple makers worldwide.

In a construction project, the stronger the individual blocks, the stronger the building. It is the same with the church in a community. The stronger each individual disciple, the stronger the local church. If the church is to march onward in our generation and throughout our world, there must be faithful disciple makers who form strong, vibrant congregations that go forth to repeat the disciple making process.

*More on Reverse*

So how can DM2 make the best use of this present interval when travel is banned due to Covid-19? By God's grace, we hope to use this opportunity to step up the training of the next generation of disciple-makers.

About 6 years ago, DM2 made a bold move to begin training youth and young adults at home in America. Since then, we have been amazed at the many young adult teachers God has raised up who faithfully disciple others (2 Tim. 2:2).

This present interlude may be the time to launch a disciple-making program for young adults, equipping them to continue the Great Commission in the next generation. But for this to become a reality, we need, among other things, a training center, which we do not currently have. However, if this is in God's plan, we are confident He will provide, just as He has so amazingly and abundantly done these past 10 years. Would you pray with us for God's will to be accomplished concerning this proposed endeavor?
