## Tullahoma Bible Church Ephesians Youth Conference (Nov.15-17, 2019 and Sept. 11-13, 2020)

### Participant Reviews

"Wow! All the riches we have in Christ the moment we believe in what Christ has done for us on the cross really came alive when we dove into chapters 1-3 in Ephesians! I was so encouraged to review the blessings I have here and now as well as what the future holds for me. Paul wanted the Ephesians [and us] to understand these truths from this great letter he wrote from prison." **A.T.**

"It's simply amazing to see young adults teach truth to young children. The material covered can feed new believers as well as seasoned saints." **A.S.**

"What I love most about DM2 conferences is the fellowship that comes along with in-depth curriculum. It's a great opportunity to form long-lasting relationships while studying God's word. I enjoyed that there were so many teachers with so many different levels of experience. **Anon**

"Very eye-opening, especially when we were taking a closer look at God's grace and the blessings we have in Christ." **C.T.**

"It was much more helpful than I expected. I learned a lot that I had wondered about before. It was nice to make new friends. I REALLY loved it! It was amazing. Thank you to everyone who helped with it!" **E.W.**

"I enjoyed watching the skits. I liked all the jokes. I learned a lot, and I liked filling in the blanks in the notebooks." **T.N.**

"The Ephesians conference was very encouraging and reminded me of so many truths and all that I have in CHRIST." **A.W.**

Fun Skit

"This conference was so encouraging! I am overwhelmed at Christ's grace and love for me, a sinner saved by grace! I am adopted! This conference was really helpful. I love it!" **A.W.**

"As to be expected, I loved the Ephesians conference. I got to bring my two cousins, which was a great blessing to me. I did not know the book of Ephesians has so much to say about who I am in Christ. Hopefully, I'll be able to go to the Ephesians conference that covers the rest of this great book!" **R.W.**

"Teaching at the DM2 youth conference was encouraging during these uncertain times in our country. I'm always pleasantly surprised by how much I learn from the children and young adults! God is blessing this new generation with the will and ability to learn His word. Everyone should attend a youth conference!" **R.P.**

**DM2 is passionate about making disciple-makers.** We do not want a lack of funds to stand in your way when it comes to teaching future disciple-makers; therefore, by faith, DM2 would like to offer the following **FREE SERVICE** to anyone who would like to be involved in teaching others but lacks resources to print manuals. While funds last, we will print and ship to your location any number of student manuals and a copy of the teacher's manual for any of the curriculums that we have developed. If you are interested, the manuals and the PowerPoint presentations can also be downloaded for free.

We want to make you successful as a disciple-maker. As long as God allows, we will continue this service. Please send your requests to: **bret.nazworth@gmail.com**

**If you'd like to contribute to this project, please direct your gifts accordingly.**

Here are the **courses we have available** and the estimated time required to teach each one:

- Panorama of the Old Testament (60+ hours),

**Please be encouraged by the following Bible studies and keep them in your prayers!**

Maya (Czech Republic) and Kortney (South Texas) are starting a Women of the Word Study on October 3rd.

Oscar Portes, the DM2 field leader in Venezuela, has been able to get manuals printed and sent to different areas of the country where they are being requested. He recently wrote that they are forming small groups by district for those who do not have good internet in their homes. He himself was recently without internet for three weeks. But despite these hindrances, God's word continues to be spread in this needy country.

In America youth and young adults are conducting DM2 Colossians, Hebrews, Romans, and Galatians workshops, both live and online.

Spanish workshops currently being taught are the books of Daniel, Galatians and Acts.

Missionaries Mark and Caren Musser are back in Armenia, but sadly unable currently to travel to the former Soviet Union. Pray for this door to re-open. In the meantime, Caren is teaching a Women of the Word class at a church in Yerevan and Mark is teaching numerous classes as God opens doors there in Armenia.

October 30-31, John Clark, who heads up the field of Liberia, will be teaching an online curriculum to pastors and leaders in that country. Presently, his church in Newnan, GA is teaching the DM2 New Testament Panorama and 1 Timothy.
